

Crib Bedding Guide

must have!

SHEETS ★

- Fitted sheets only, no flat sheets.
- Elastic all the way around.
- 2-3 sheets needed.

SKIRT

- Placed under the mattress.
- Not necessary, but will cover space below mattress.
- Many come with three sides (long front & two short ends).
- Many styles available (flat, gathered, layered, etc).

RAIL GUARDS

- Wrap over the top of the crib rails to prevent baby from chewing on the wood.
- Look for fabric ties, not ribbon!
- Note, some rail guards are sold with just the front guard & some are sold with a front & two sides.

BUMPERS

- Placed above the mattress on the inside of the crib.
- Look for fabric ties, not ribbon!
- Be sure they feature zippered slip covers for easy washing!
- Note your crib style to be sure the bumpers will tie correctly.
- Not recommended for newborns, generally added to crib when baby is more active.

Other Nursery Linens

CHANGING PAD COVER

- Must have unless you have a Keekeroo Peanut or similar style pad.
- 2-3 pad covers needed.

BLANKET

- 30"x40" or similar makes a great car seat or stroller blanket
- 30"x50" is about the size of the mattress
- 42"x58" converts to a toddler comforter
- 50"x60" works great for milestone pics as well as tummy time & will last into toddler years

OTHER

- Window Coverings: Blackout recommended!
- Nursing Pillow Cover
- Car Seat Cover
- Throw Pillows
